A cough is a danger signal. You should heed its warning promptly. Begin at once, and take regular doses of

Ayer's Cherry Pectoral

All serious lung troubles begin with a common cold. A cold in the throat easily passes to the bronchial tubes, and you have bronchitis, leading possibly to pneumonia or consumption. Stop your cold before it goes down into the chest. When you bring a bottle of Ayer's Cherry Pectoral into the house you bring with it relief, good cheer, hope, and sunshine. It is a standard and unrivaled remedy for colds and coughs.

There are many substitutes and imitations. Beware of them and of so-called "Genuine Cherry Pectoral." Be sure you get AYER'S Cherry Pectoral.

Put up in large and small bottles.

HAD HEARD IT BEFORE.

"No, Mr. Penwinkle," said the fair girl to the literary youth who had proposed; "I cannot accept you, but that does not imply—
"I know what you would say," he interrupted bitterly. "A rejection does not imply any lack of merit, but a number of circumstances render an article unsuitable. It's the old story."
